

TO TAKE THE GUESSWORK OUT OF FINDING US...

If you're driving:

Turn into Ngaoho Place from The Strand
Follow the road around until you come upon the Tournament carpark
Carry on straight through the carpark to the end
You'll get to a little lane, follow that and once on our driveway, you can angle park along the left side, closest to the building
That red brick building in front of you is the Signal Box: We'll put the kettle on!

If you're walking:

Head up the stairs from the Strand and into the Tournament carpark
Turn right and walk to the end of the carpark
Head down the little lane – you'll see a brick building in front of you
That's the Signal Box!

Too hard?! ...If all else fails and you end up at The Paddington instead, call us and we'll come join you!
